PROFESSIONAL EXPERIENCE

LINKUP

Dec 2025 to Present

Business Solution Architect

- **Built and improved core people operations processes** spanning contract administration, recruitment, employee records, ID creation, and payroll tracking.
- **Designed and launched three internal platforms** and established a centralized HR database to support scalable operations and company growth.
- **Led the Aspiring Leaders development program**, achieving **100% participant completion** across a two month learning journey.
- **Support contract review and operational requirements** associated with business expansion and workforce growth.

BOLDR IMPACT | Career Progression

Feb 2021 to Present

Learning Experience Lead **CURRENT**

Mar 2026 to Present

- **Lead learning technology and capability development** initiatives supporting distributed global teams.
- **Manage learning platforms and vendor relationships** across DataCamp, Juno Journey, Infosys Springboard, Articulate, 360Learning, and internal learning systems.
- **Created a digital People Success service hub** that centralized access to department services and resources, improving service visibility and accessibility.

Senior HRIS Specialist

Mar 2024 to Mar 2026

- **Led global compensation and HR technology initiatives** across BambooHR, Payscale, Payfactors, and internal systems.
- **Spearheaded job standardization and primary key curation** to improve HR data consistency, accuracy, and governance.
- **Improved HR reporting and system reliability** through stronger data architecture and standardized workflows.

Global Onboarding Success Specialist

Oct 2021 to Apr 2024

- **Designed and maintained global onboarding and employee lifecycle processes** across multiple offices and distributed teams.
- **Developed onboarding programs, policies, and workflows** to create more consistent employee experiences across locations.
- **Diagnosed and resolved operational and technical issues** affecting onboarding and lifecycle administration, including workaround development and escalation.

Human Resource Onboarding Associate

Feb 2021 to Oct 2021

- **Coordinated virtual onboarding** with internal stakeholders to ensure new hires completed orientation, documentation, and required onboarding activities.
- **Managed KPI, evaluation, and regularization workflows** to strengthen new hire alignment, documentation quality, and employee lifecycle tracking.
- **Coordinated employee, HR, and Finance handoffs** to keep regularization notices and records accurate and timely.

Human Resource Associate

Feb 2021 to Apr 2021

- **Maintained employee databases and new hire records** to support accurate HR administration.
- **Prepared and distributed new hire documentation** following job offer acceptance.
- **Coordinated cross functional onboarding reviews** using survey results to identify opportunities to improve the new hire experience.

MERRYMART

Feb 2020 to Aug 2020

Human Resources Assistant

- **Managed end to end recruitment** for Head Office, Distribution Center, and retail operations.
- **Supported employees from recruitment through regularization** across core employee lifecycle activities.
- **Facilitated onsite recruitment and interviews** across Visayas and Mindanao while coordinating candidate sourcing and hiring workflows.
